Due to the the following factors we may need to charge for a 'technical installation'. This is mostly determined during the site visit but can be recognised through information given by you.

Hard standing (unable to drill)	25% of marquee price
Hard standing ok to drill	15% of marquee price
Soft Standing (sand)	20% of marquee price

PITCH IN

Our 'Pitch In' Scheme is something we have created to allow you to get an instant Discount on your marquee price. You will receive 20% off the overall marquee price when you supply the following 'Man Power'. We are not scared of exposing the simple, safe method these beautiful marquees require us to adopt when erecting them and by offering this we, believe we can promote the future of this ever decreasing bread of marquee by training your able and available hands and hopefully inspire you to embrace further use.
